The State sent us its attendees last week. What we need to know is if the State agrees to attend on Monday. We understood that the State would decide after Dean/Cheryl brief the State personnel (today) on the sampling results.

If the State will attend, we need the State to arrange a meeting room (and we all need to agree on a time).

Linda – It looks like we can meet with CSD on the 30<sup>th</sup>. We just need the state attendees. Can you reach out to Jim and see who they are sending so Chuck can finalize the meeting? For us the plan is Dean, Cheryl, Chuck, and Tom Poy or Heather.

Central Sands said yes for next Monday. Still waiting to hear from the State. I guess Linda needs to talk to Zellmer.

Chuck, in terms of availability. I cannot travel to Madison from Tuesday (July 31) to Friday (Aug. 3). I'm available Monday July 30.

We hope to nail that date down today or Monday. I will let you know.

I just called David Crass, counsel for Central Sands and relayed our request for a meeting. Results:

1. Location: Madison is fine for his side
2. Timing: the end of next week is out of the question – he is out of town and won't even be talking to Central Sands about the data until Monday (7/23).
3. Whether to take the meeting: He refused to say whether they will meet without knowing the roster of government attendees (EPA and WDNR).

I told him I would relay this response to folks here (I will let the WDNR attorney know all this.).

Do we want to honor the request for a list of attendees?
